

Would you like to contribute to the James S. Benson FDA Alumni Association Centennial Scholarship?

The James S. Benson FDA Alumni Association Centennial Scholarship is the first School of Pharmacy scholarship slated for RAQA students.

Education plays a critical role in shaping people's lives, opening placement opportunities for them, and expanding their career paths.

There are many students in the RAQA graduate program who have no source of funding for their education and would be grateful to receive financial support. You can make a difference in a student's life by sending donations to the James S. Benson FDA Alumni Association Centennial Scholarship Fund.

All donations go directly to the James S. Benson FDA Alumni Association Centennial Scholarship and are tax deductible, as permitted by federal law.

To contribute to the fund, please send donations to:

Christopher Van Vessem
Assistant Dean for Development
Temple University School of Pharmacy
3307 N. Broad Street
Philadelphia, PA 19140

The check should be made out to *Temple University School of Pharmacy*. On the memo section of the check, please indicate the James S. Benson FDA Alumni Association Centennial Scholarship.
