Postdoctoral Associate Position Available

A position is available for a post-doctoral associate in the laboratories of Swati Nagar and Ken Korzekwa in the Department of Pharmaceutical Sciences, Temple University School of Pharmacy. This position will involve research in tissue imaging, quantitative mass spectrometry, and pharmacokinetic modeling. The applicant should have expertise in some combination of: tissue preparation, quantitative bioanalytical techniques (MALDI experience is a plus), drug metabolism, pharmacokinetics, and numerical methods. Please send a CV and cover letter to:

Swati Nagar, Professor
Department of Pharmaceutical Sciences
Temple University School of Pharmacy
swati.nagar@temple.edu

Ken Korzekwa, Professor
Department of Pharmaceutical Sciences
Temple University School of Pharmacy
korzekwa@temple.edu
