Rear Admiral (RADM) retired, Scott F. Giberson, is currently the Executive Director of AMI Expeditionary Health, a global company that provides healthcare solutions within remote, challenging, or underserved areas. Prior to that he was an active-duty Commissioned Corps officer for 27 years, 11 of which he served as an Assistant U.S. Surgeon General. He served in multiple leadership positions in the Department of Health and Human Services, Department of Homeland Security, and Department of Defense. RADM Giberson was also the Senior Advisor to the Office of the Surgeon General and the Director of 'Commissioned Corps Headquarters' from 2011 through 2015. He oversaw the management, operations, policy, recruitment, training, personnel, and deployment of all 6,700 Corps officers worldwide.
