

Dear Research Recognition Day Participant:

We hope you are as excited as we are about our upcoming event on Friday April 16, 2021 starting at 12pm!

To ensure you have a smooth experience using HopIn as our platform for Research Day, we would like to provide you with the following suggestions:

- 1) [Watch this short 3 min tutorial on how to use HopIn](#)
- 2) [Read these Best Practices on how to engage during poster sessions](#)
- 3) Students, please sign in at least 5 min before the event starts to test out your connection.

Thank you to everyone who submitted a research project for the event. Students with the highest scores from independent reviewers have been notified and they will be presenting their research during the platform oral presentation.

Looking forward to an eventful day of research presentations!
