

**STUDENT ORGANIZATIONS (NOT ALL ARE LISTED)**

	<p>The Academy of Managed Care Pharmacy is the national professional association of pharmacists and other health care practitioners who serve society by the application of sound medication management principles and strategies to improve health care for all. Each Spring, AMCP members have the opportunity to participate in the National AMCP Pharmacy &amp; Therapeutics Competition designed to hone students' skills essential to Managed Care Pharmacy.</p> <p>Contact: <a href="mailto:TempleAMCP@gmail.com">TempleAMCP@gmail.com</a></p>
 	<p>APhA is the national professional society of student pharmacists and one of the largest organizations on TUSP's campus. APhA encompasses all areas of pharmacy, from patient care projects like Operation Heart, Operation Immunization, or Sexual Health, to advocating for pharmacy as a profession through government policies. APhA provides countless opportunities to not only network with students within TUSP but also across the nation through our Regional and Annual conferences. With over 30 students on our Executive Board, there are also countless ways to hone your leadership skills. Whatever area of interest you may have, APhA has an opportunity for you to pursue it.</p> <p>Contact: <a href="mailto:tuspapha@gmail.com">tuspapha@gmail.com</a></p>

The American Society of Health-System Pharmacists strives to enhance the educational and professional development of students and professionals through networking with pharmacy practice leaders and educational programming regarding current issues surrounding the profession. Highlights each school year include the Clinical Skills Competition at the Pharmacy school and summer and midyear meetings on a national level where students can apply and interview for employment, residencies, or fellowship programs.

The Industry Pharmacists Organization (IPhO) is a professional association committed to empowering pharmacy students who aspire to careers in the pharmaceutical industry. IPhO provides valuable resources and networking opportunities to help students understand and navigate the various roles available within the industry, such as regulatory affairs, clinical research, and medical affairs. Through mentorship programs, career development, and industry-specific educational content, IPhO equips pharmacy students with the knowledge and skills needed to excel in their future careers. By advocating for the important contributions of industry pharmacists, IPhO supports students in their journey to become leaders in the pharmaceutical field, ultimately enhancing patient care!

ISPOR is dedicated to improving healthcare decision making. We believe that every healthcare decision should be informed by the best scientific research. Toward that goal, the Society's mission is to promote health economics and outcomes research excellence to improve decision

	<p>making for health globally. <b>Contact:</b>  <a href="mailto:ispor.temple@gmail.com">ispor.temple@gmail.com</a></p>
	<p>Kappa Psi is the oldest and largest professional pharmaceutical fraternity on the North American continent. Throughout the year Beta Omega chapter actively sponsors and participates in a variety of educational, social, and community activities. Membership in Kappa Psi is offered to interested and eligible students in their first and following professional years.  <b>Contact:</b> <a href="mailto:BetaOmega@kappapsi.org">BetaOmega@kappapsi.org</a></p>
	<p>The mission of the Lambda Kappa Sigma is to promote the pharmacy profession among women. We do this by developing sisters as individuals and leaders through the support of fellow members while embracing a high standard of professional ethics and scholarship. We are a professional fraternity and our values include Leadership, Sisterhood, Service, Scholarship, and Integrity. Talk to a sister to learn more about our philanthropy Project Hope, about the professional events and community service projects we participate in, and most importantly- how to become a sister!  <b>Contact:</b> <a href="mailto:lks.alpha.alpha.president@gmail.com">lks.alpha.alpha.president@gmail.com</a></p>

**National Community Oncology  
Dispensing Association, Inc.**  
PASSION FOR PATIENTS

Our focus is to offer an international community for healthcare students with passion in oncology and pharmaceutical industry. We provide education, leadership, mentorship and opportunities in research and community outreach. We promote unique and dynamic experiences for students to collaborate with all oncology stakeholders. WHY GET INVOLVED? As a member of an NCODA Professional Student Organization (PSOs), you will gain access to all of our member tools, libraries, and resources, which can help guide your studies. PSOs also give students opportunities to practice leadership skills while networking with national and international leaders in oncology.

The National Hispanic Pharmacists Association (NHPA) was established in 2018. The mission of NHPA is to empower Hispanic pharmacists and other members to improve the health of Hispanic populations in collaboration with public and private sector partners. The vision of NHPA is to be the leading pharmacy organization for improving the health of Hispanic populations in the United States. An important fact is that this is our third year in school and that you don't need to be Hispanic to be part of our organization.

## PHI DELTA CHI

The Phi Delta Chi Pharmacy Fraternity contributes to the professional and social goals of the brothers through service projects and social activities. Phi Delta Chi is a professional fraternity in pharmacy, emphasizing scholarship, leadership, and service. It supports pharmacy students and professionals, advancing the field through education and practice. Our fraternity seeks qualified students without regard to race, religion, nationality, or gender. If you see the value of friendships, involvement in service to others, and participation in professional projects, you should consider Phi Delta Chi. We'd be happy to discuss the benefits and responsibilities of brotherhood with you.

Pennsylvania Pharmacists  
Association

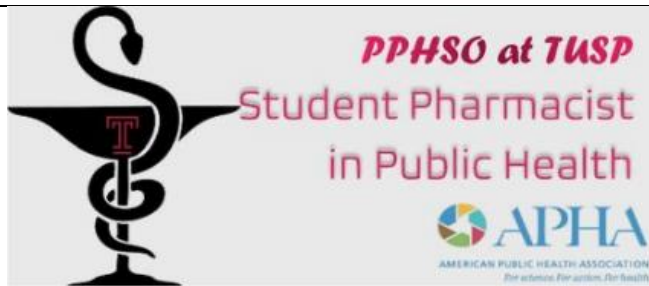

The Pennsylvania Pharmacists Association, as the leading voice of pharmacy, promotes the profession through advocacy, education, and communication to enhance patient care and public health. This past year, we successfully lobbied on efforts to pass PBM reform and provider status through Medicare/Medicaid.

Contact: [ppaowls@gmail.com](mailto:ppaowls@gmail.com)

The mission of PPAG is to promote safe and effective medication use in children through collaboration, advocacy, research, and education. We aim to advance the training and leadership skills that pediatric practitioners need for delivering safe and effective medications in children and to educate patients and their families through selected activities about appropriate medication use.

Contact: [tuspppag@gmail.com](mailto:tuspppag@gmail.com)

The mission of PPHSO is to help create healthy environments, encourage healthy behaviors and choices, and provide healthy education. Everyone has the right to good health. We aim to advance public health through the application and practice to promote health equity, access to care, and optimal health which is the mission statement from American Public Health Association's Pharmacy section.

Contact: [tusp.publichealth@gmail.com](mailto:tusp.publichealth@gmail.com)

The mission of the Rho Chi Pharmacy Honor Society is to encourage and recognize excellence in intellectual achievement. Along with advocating critical inquiry in all aspects of pharmacy, the society upholds high standards of conduct and character and fosters fellowship among its members. As an organization, Rho Chi offers tutoring services, group review sessions, and involvement in volunteering and fundraising events. Membership in Rho Chi is limited to the top 20% of each pharmacy class.

Student Organ Donation Advocates (SODA) Association is a student-led, student-run organization whose vision is to advocate and raise awareness regarding organ donation within our community. We are focused on debunking any myths regarding organ donation and aim to raise the number of organ donors in our community. Our ultimate goal is to eliminate the wait for those awaiting lifesaving transplants. Join us in spreading awareness and educating our community!

SOCIETY OF VETERINARY  
HOSPITAL PHARMACISTS

The Society of Veterinary Hospital Pharmacists (SVHP) is a group of pharmacy students interested in learning more about animal medicine, and the role of pharmacists in a veterinary setting. This is a global organization that provides information about veterinary pharmacy opportunities like APPE rotation information, career information, job descriptions and more. The student chapter of SVHP at TUSP will allow students to explore the roles of a veterinary pharmacist and how they are important to veterinary medicine. Our goal is to broaden the horizons of pharmacy students and support community events that focus on animal care.
