Proctoring Procedures

STUDENT AGREES TO THESE PROCEDURES:

1. I agree to take the exam on the designated exam date. If I need to take the exam on a different date due to a **documented emergency**, I understand that I will be charged a non-refundable fee for the makeup. I agree to take the makeup exam within 1 week (no exceptions). If I do not, the grade for the exam is an automatic 0.

2. I will show photo ID at the start of the exam and observe appropriate conduct throughout the test.

3. During the exam, I will observe appropriate test procedures, which include staying in the room. **Unless otherwise specified by written instructions on the exam, I will not** use books, notes, cell phones, pagers, additional laptops, computers or electronic devices or the Internet (except for using the Proctorio online system).

4. I will abide by Temple University's code of academic honesty. Submitting false information on this form or not following RAQA policies for proctored exams is subject to disciplinary action.

5. I will not copy RAQA exams or any portion of RAQA exams or discuss the content of any aspect of them with students, work colleagues, or friends either verbally or through electronic means or social media (including, but not limited to email, X, Facebook, pagers, etc.) before, during, or after the exam.

6. **I understand that I must have administrative rights for my computer to use Proctorio.**

7. I have reviewed the Drop/Add policy for RAQA courses and understand that weeknight courses must be dropped before the third scheduled class meeting and weekend courses must be dropped before the second scheduled class meeting, **otherwise I am still financially responsible for tuition**. The Drop/Add policy is available at: https://pharmacy.temple.edu/raqa/applying/student-policies-and-services/dropadd-policy

This page must be submitted with the Registration Form for Online Courses. We cannot process a registration without this page.

Online Courses Fall 2026:
Before indicating your course choice, please check one of the required statements:

_____I have not previously taken a Temple RAQA online course.

_____I completed a Temple RAQA online course previously and not changed my computer or location that I'll be using this coming semester. (If I have changed either, I will complete the self-test of online courses before registering).

You must check and sign the following statements. We will not process registrations without

signatures.

____By registering for any RAQA online course, **I acknowledge I have read and will abide by *Expectations of Online Students,* including the statement about proctored exam.**

____ If this is my first Temple U Online course (or if I have changed my computer or location where I will be taking the class), I agree to complete the self-test of Zoom as stipulated in *Expectations of Online Students*. (The link for the Self-Test is in that document).
The key word given at the end is: _____(REQUIRED).

____I understand that I am required to take proctored exams on a specified date. **If I know in advance that I cannot take the exam for a course on the designated date, I will select another course.** If I am unable to make the exam due to a documented emergency, I agree to pay a $25.00 exam change fee. For subsequent exams, the fee increases to $50.00 per exam change. The third time the charge is $100.00. After that, the fee becomes $150.00.

____I have purchased a headset (microphone) and a webcam for my computer, which are required to participate in RAQA Zoom courses to ensure that all students have an enjoyable online learning experience. Students who do not have microphone headsets or webcams will be dropped and not allowed to register in future semesters.

____I agree to keep my webcam on during all course meetings and use the microphone for discussions.

____I agree to test my headset with Dave Brickett (dbrick@temple.edu) on a weekday between August 1, 2026 and September 8, 2026.

____If my courses use Proctorio online proctoring, I understand that I must have administrative rights to the computer I use, so I can download Proctorio. (Many work computers have firewalls which block external programs from being used).

____Once I obtain a TUmail account, I will forward the address to the RAQA Office. If I do not have a TUmail account or a headset with microphone or have not tested Zoom two days before the class starts, my registration may be cancelled.

I understand that I must check TUmail to receive the link for the first and all subsequent class meetings.
