**In accordance with the policy, this is the only time for missed examinations and/or finals. Failure to take the make-up on the above designated day and time will result in an "O" grade for that examination.**  
All students who have missed a test, must sign an "Incomplete Grade Contract" form that must be maintained on file in the Office of Student Services. These forms have been e-mailed to all faculty members and can be found in TUSP Community under student services. Please remember that the student must pay the fee to the Office of Student Services in order to take the make-up examination. Payment should be made by check or money order to Temple University.
