LEGACY OF SUCCESS

Temple University School of Pharmacy, founded in 1901, is one of the oldest pharmacy schools in the country.

Located on Temple University's Health Sciences Campus—home to the Schools of Dentistry and Medicine as well as Temple University Hospital and its clinics—it offers abundant opportunities for interprofessional collaboration and hands-on learning.

A WORLD OF OPPORTUNITIES

A PharmD opens opportunities to work across the healthcare spectrum, in patient care, research, business, advocacy, and governance. Graduates are prepared for roles in:

- Hospitals and health systems
- Community pharmacies
- Pharmaceutical companies
- Research organizations
- Academia
- Health insurance companies
- Government regulatory agencies

Enhance your academic journey with our portfolio of dual enrollment options:

- PharmD and MS Global Clinical Pharmacovigilance Regulations
- PharmD and MBA with Temple's Fox School of Business
- PharmD and MS Public Health with Temple's College of Public Health
- PharmD and Graduate Certificates in:
 - Drug Delivery
 - Drug Discovery
 - Pharmacogenomics
 - Pharmacokinetics

HANDS ON LEARNING

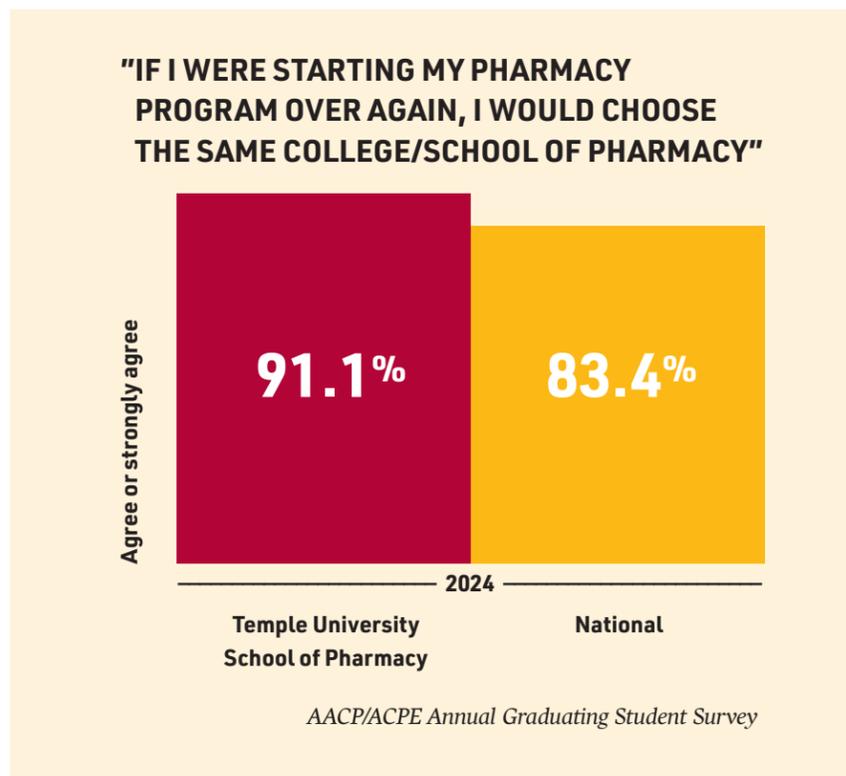

A dynamic curriculum touches almost every aspect of healthcare and is delivered via classroom, research, hands-on practice, and mentoring. Gain real-world learning experiences starting in your first year and tailor your coursework to fit your interests, including community or clinical pharmacy practice, clinical trials, or drug safety.

SUPPORT YOU CAN COUNT ON

You will have access to advising, mentoring, and tutoring programs throughout the program, as well as an intensive prep program before your classes even start. More than 27 student organizations are available to help you build community and leadership skills, and counseling services are available to all students.

10:1 STUDENT TO FACULTY RATIO
As Philadelphia's only public R1 institution, pharmacy students work hand-in-hand with faculty to improve patient care outcomes and conduct ground-breaking research.

ADMISSIONS

Prospective students from all academic backgrounds are welcome. A bachelor's degree is not required for admittance. Merit-based scholarships are available.

PARTNERSHIPS

Seamlessly transfer into the PharmD program by choosing the Early Assurance/Pre-Pharmacy program at Temple University, or through our partnerships with the following institutions:

- Commonwealth University of Pennsylvania
- Bucks County Community College
